Others Coverage

- OPD COVERED (any kind of accidental treatment and IRRESPECTIVE OF NUMBER OF INCIDENCES IN A YEAR)
- 24 HOUR worldwide coverage

Example

A student gets injured due to accident on 1st Jan 2014 and pays rs 200/- fee of Doctor. He can Claim by just filling a claim form without any formality and if that student again gets injured due to accident on 1st Feb. 2014 he can claim that Amount again,

Kinds of Accident the Student is covered for

- Injuries due to on/off field activities
 - Injuries incurred during participation in sports events any where in the world (in school or at home).
 - Injuries incurred at home or during travel by road/rail/air
 - Dog bite/Snake bite /Monkey bite etc
 - Motor accidents
 - A student hits another student
- A child could find him/her self stranded to continue education, in the event of his / her earning parents being fatally injured (death in an accident). In such an unfortunate situation TATA AIG will extend financial Assistance to the child as per the policy term (covering any one nominated parent in the policy) which will help in fulfilling the Childs aspiration of continuing the education.
