Dear Parents,

We are delighted to introduce to you the latest initiative aimed at fostering a culture of reading and enhancing learning experiences for our students: CBSE READING APP.

At DAV Sreshtha Vihar, we believe in nurturing not only academic excellence but also a lifelong love for learning. The CBSE Reading App is a valuable resource to enhance your child's reading experience.

Reading is not just a fundamental skill; it's a gateway to knowledge, imagination, and empathy. As we strive to foster a culture of reading among our students, we recognize the importance of providing them with diverse and engaging reading materials. The CBSE Reading App aligns perfectly with this goal, offering a wide range of curated content tailored to different age groups and interests.

Through the CBSE Reading App, your child will have access to:

**Curated Reading Material:** A vast library of e-books, articles, and educational resources curated specifically for CBSE students, covering various subjects and genres.

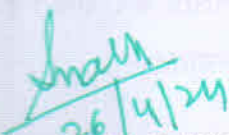

**Interactive Features:** Engaging features such as quizzes, vocabulary building, grammar concepts based on the story and interactive elements that make reading a fun and immersive experience.

**Personalized Recommendations:** Tailored recommendations based on your child's reading preferences and learning level, ensuring they discover content that captivates and challenges them.

Together, let's embark on a journey of exploration, discovery, and lifelong learning through the books.

You can download the CBSE READING APP (Powered by Freedom) from the Google play store.

Thank you for your continued support and partnership in your child's education.
