Dear Parents,

Warm greetings!

Our school works immensely hard to impart holistic education that includes not only academics but also moral values. Please note that no student should indulge in any act online or through social media that threatens, harasses, or intimidates any student or staff member. If such act places anybody in reasonable fear of harm or interferes with the atmosphere of order and discipline in the school necessary for conducive teaching and learning atmosphere, then the school will be compelled to take action as deemed necessary.

We therefore look forward to your sincere support and cooperation in the same.
